Skanos Beverage Trolley

Australian designed trolley that is a versatile and lightweight solution for the service of all beverages, especially designed for an Aged Care setting.

Please note: Skanos does not supply the dishwashing trays in image, as standard.

SKANOS BEVERAGE TROLLEY FEATURES:

- Expansive space on top, allowing room for beverage dispensers and other items
- Larger castors with brakes, for ease of mobility
- 2 sturdy handles, at a comfortable height
- S/S rail and overhead shelf with 2 cutouts, allowing a total of 6 off 1/9 GN containers
- Space for 4 off 1/1 x 100 GN containers
- Cutout in the top for 1 off 1/3 GN container designed for rubbish
- Bumper corners on all 4 corners
- The cart frame, constructed from aluminum, ensures the cart remains lightweight.
- Option to wrap the unit with either branding or any imagery you desire.
