

KP 82 CCG L2 5S

The quick chiller KP 82 are "multifunctional" cabinets. Sophisticated electronic controls offer the choice of six different functions: Refrigeration, freezing, quick chill, quick freeze, controlled thawing and dry cooling.

Equipped with right hand hinged reversible door with lock, automatic door closing, pedal door opener, 5 stainless shelves.

- Easy to operate electronic controller - preset programmes.
- Time or temperature controlled chilling process.
- Soft chill & hard chill - for gentle or fast chilling of food.
- Controlled thawing process. The temperature in the cabinet never exceeds +8°C.
- Dry cooling function - reduces condensation on the surface of food items.
- Reversible door - right or left hand hinged, self-closing door, foot pedal opener, lockable door.
- Removable door gasket, for easy cleaning.
