

Banquet Line Ambient

Banquet Line Ambient is a light weight, but robust, cart for holding and transportation of food with GN2/1 capacity. Detachable U-shaped runners offer safe handling, easy cleaning and optimal temperature distribution. Other features are adjustable ventilation for optimal moisture control, ergonomic push/pull handles and big castors for easy movement. A ScanBox is a Scandinavian designed product made for both back and front of house, especially with the Signature option with the possibility to customize the exterior design. The unit can be chilled down by placing eutectic plates inside the box.
