Ergo Line

Active Cooling

Ergo Line AC is a light weight, but robust, cart for holding and transportation of cold food with GN1/1 capacity. Detachable U-shaped runners offer safe handling, easy cleaning and optimal temperature distribution. Infinitely variable temperature setting is performed via digital displays which indicates when the selected temperature is reached. Big castors for easy movement. A ScanBox is a Scandinavian designed product made for both back and front of house, especially with the Signature option with the possibility to customize the exterior design. Compressor cooling is offered as an option.

Outer Measurement

Width	540 mm
Height	1440 mm
Depth	910 mm

Inner Measurement

Width	330 mm
Height	1042 mm
Depth	545 mm

Capacity & Weight

Capacity	12 x 1/1GN with 80 mm distance between runners
Maximum Loading Capacity / Runner	9 kg
Net Weight	65 kg
Volume	184 / 187* liter
