

## Ergo Line Duo

### Ambient + Hot

Ergo Line Duo is a light weight, but robust, cart for holding and transportation of hot and cold food with GN1/1 capacity. Detachable U-shaped runners offer safe handling, easy cleaning and optimal temperature distribution. Infinitely variable temperature setting is performed via digital displays which indicates when the selected temperature is reached. Other features are adjustable ventilation for optimal moisture control, ergonomic push/pull handles and big castors for easy movement. A ScanBox is a Scandinavian designed product made for both back and front of house, especially with the Signature option with the possibility to customize the exterior design. Convection heating is offered as an option.
