

ERGO LINE (GN 1/1) Single - Neutral

- ✓ **Lightweight yet Heavy Duty**
- ✓ **Superb Insulation Values**
- ✓ **Outstanding Manouverability**

ScanBox Ergo Line - Single - Neutral is a range of well insulated and non-electrical products suited for transport of food. Can be placed in a cold room or be used with an eutectic plate. Ergonomic design and a wide range of different sizes and accessories will guarantee a perfect match with your operation. Designed with ScanBox latest Environmental Performance (ExP) technology combining increased performance with a decreased environmental impact. Designed to fit equally well back of house as well as front of house allowing exterior branding options.

Function

A well insulated box made for transportation of hot or cold food. Possibility to pre-cool in cooling room. Also possible to retrofit holder for hot or cold plates to give additional temperature retention during prolonged transports without decreasing the overall capacity of the box.

Standard Equipment Options

Capacity

Equipped with detachable stainless steel racks allowing the air to circulate freely inside the cavity. The u-shaped racks has a tilt-stop function securing the food container and lid during loading, unloading and transport. Variety of sizes and rack configurations allowing optimal usage of the box.

Standard Equipment Options

GN 1/1 80 mm distance	Optional level distance
Detachable Racks	
Tilt-Stop Function	

Mobility

Lightweight, yet heavy duty. A solid design made for all types transports including truck. Equipped with non-marking, high quality double bearing castors for easy manouverability even in cramped spaces. Precision moulded PPE insulation assures food temperature and safety.

Standard Equipment Options

Ø160 mm Castors	Optional Sized Castors
Double Bearing Castors	Stainless Steel Castors
Transport Handles*1	XC Castors
	Tow Bars

Ease of Use

Equipped with an all-around top frame allows easy handling facing the unit from any direction. Standard equipment include a sturdy and easy to use excenter type handle. Several easy to use accessories such as card holders, eutectic plates are available.

Standard Equipment Options

Excenter lock	Sight window/Glass door
Central brake system	One Grip Handle
	Tray holder foldable

Construction

A heavy duty yet lightweight construction based on a stainless steel framing, reinforced plastic exterior panels, solid high precision moulded polyurethane foam insulation and anodized aluminium interior. A smooth, hygienic and fully sealed inner cavity without welds or rivets. The frame, top hood and handles are in robust stainless steel.

Standard Equipment Options

Smooth Hygienic Cavity
Smooth S/S Top
S/S Framing

Exterior Design

Robust and elegant Scandinavian design made for both back of house as well as front of house operations. Possibility to choose different colours as well as adapting parts or the full box according to corporate branding. Use the design and let the box be a part of the full F&B experience.
